Branch Societies have been formed and are working at the Headquarters of every other district under the Deputy Commissioners.

The main objects of the Society are :—

(*a*) to give, as far as possible, such help as may be needed, on release, by persons convicted of criminal offences without distinction of race or creed,

(*b*) to make efforts to reclaim habitual offenders from a life of crime, and to enable prisoners after release to lead honest and respectable lives,

(*c*) to make special arrangements with the view of preventing casual and juvenile offenders from becoming habitual offenders,

(*d*) to promote legislation and the application of the existing law to secure that sentences of imprisonment shall be passed only in cases which cannot adequately or appropriately be dealt with in any other way, and

(*e*) to collect funds and do all such other things as are incidental or conducive to the attainment of the above objects or any of them.

To achieve the above objects, funds on a large scale are required and the Society has not been able to make much head-way for want of the same.

So far, a sum of Rs. 1609 has been raised through subscriptions given by a few philanthropic gentlemen and as this is quite inadequate to realise the various objects of the Society, liberal-minded gentlemen sympathising with this movement are requested to help the same by generous subscriptions. The minimum fee per annum for a membership of the Society is Rs. 3 and the payment of not less than Rs. 100 entitles the donor to a life membership. The money may be paid through any of the branches of the Mysore Bank to the credit of the Society.
